CONTEXT

Pomezia and Santa Palomba belong to the Metropolitan City of Rome.

Pomezia is a *città di fondazione* (founded during Fascism in 1938). A **strong industrialisation** of the territory continued until the 1990s thanks to the funds for the *Cassa del Mezzogiorno*. Pomezia is an industrial city, especially in the pharmaceutical and medical sector, paper manufacturing, food processing, and it has an important agricultural sector.
